## William S. Baxter

Sincerity and consecration are evident qualities in Mr. William S. Baxter, popular director of Public Relations for Howard College. Friendly and ready to listen to any student, he has come to occupy a large place in the heart of the college.

Always busy and willing to become busier for promoting Howard, he has had no small part in getting the college in the eyes of the people of Alabama. His office is one of the busiest on the campus and yet he is never too busy for a word of counsel with student.

In addition to his duties as director of Public Relations, he is also head of the Journalism Department. He is faculty advisor to the student publications and has been very interested in improving the quality of these publications.

Mr. Baxter was graduated from Louisiana State University taking a Bachelor of Arts in Journalism and a Master of Arts in a Journalism Degree. He also attended Louisiana Polytechnic Institute. He has served with two Louisiana newspapers and is well versed in producing student publications of quality. He was editor of the All-American Daily Reveille and also edited the University annual at LSU.

Mr. Baxter is a member of Omicron Delta Kappa, honorary leadership fraternity; Sigma Delta Chi, journalism fraternity and Theta Xi social fraternity. He entered military services in 1941 and served as an officer with the 103rd infantry division and with the 13th CID Unit, Third Army. At the present he is active in the Army Reserve serving with a CIC unit.

The ENTRE NOUS is proud to dedicate the 1950 edition to him!

# The President

Modest and soft spoken, but progressive and iron-willed, Major Harwell G. Davis has served Howard College well as president for eleven years. During this time Howard has seen her greatest period of physical expansion and her largest student enrollment.

Major Davis had had wide experience in serving his fellowman. After earning his L.L.B. degree at the University of Alabama and later being honored with an L.L.D. degree he practiced law in Thomasville, Alabama, and Gadsden, Alabama. His record set in World War I is admirable. Later years found him serving his native state in capacity of Attorney General and U. S. Collector of Internal Revenue. And now, as he continues to lead and guide the students of Howard College, it is evident that he is thoroughly capable of the job which lies in his hands. He has demonstrated that he is genuinely concerned with the present and future well-being of Howard, the college he has chosen to serve.

*The President's  
parting message  
to the Seniors:*

It is confidently believed that your work at Howard College has broadened your mental horizon and deepened your spiritual experience. That this be but the beginning of a greater growth and wider service, is my sincere hope.

Harwell  
Goodwin Davis,  
President.

DEAN BURNS

## DEAN OF THE COLLEGE

PERCY P. BURNS

An attempt to review life at Howard College would be incomplete without an effort to pay tribute to the Dean of Howard College. Sincere in purpose, tactful in method, fearless in action and, above all, imbued with a love and understanding of the student body, Dean P. P. Burns typifies the Howard spirit incarnate. Maintaining the integrity of his trust, and keeping clean his record for sincere dealing, he has faithfully served Howard College in various capacities since 1911.

As Dean of the college, Dean Burns has possessed the authority and the means to aid students in the solution of their personal problems and to direct their activities in such a way as to further their development and the general educational program of the institution.

Dean Burns has carved a place in the heart of Howard which time cannot erase. Students are paramount in their praise for such a counsellor, teacher and friend.

# Deans at Howard . .

## THE DEAN OF MEN

WILLIAM PRATT DALE, II

Since coming to Howard College in 1944, Dean William P. Dale has won a place in the heart of every student and faculty member whose privilege it has been to know him. His capable supervision as Dean of Men and his sterling qualities of manhood have made him admired and respected by the men whom he counsels. In his classes, students see manifested a spirit of quiet courage and a cheerful determination to foster the high ideals that are so essentially a part of the life at Howard College.

DEAN DALE

## THE DEAN OF WOMEN

MARTHA H. PUGH

Dean Martha H. Pugh is tireless in her efforts to render any needed service to the individual woman student, in advising and cooperating with leaders of women student organization and in coordinating all activities of women's interests on the campus. Dean Pugh is alert and thoughtful and possesses an ever-widening vision of her responsibilities as advisor of the women of Howard College. Association with her is a joyful experience. Women students of Howard are grateful for her confidence and friendship.

## J. G. BURTON

By this time those of us at Howard and all who hold Howard's interest at heart have come to know and realize that Jasper's loss has been Howard's gain in the respected and admired personage of Mr. J. G. Burton. In the brief months that he has occupied himself with guiding the financial affairs of our college, we are convinced that none could be more efficient. His wide experience and his ardent attention to his present endeavors have gained the confidence of those whom he serves. Friendliness and thoughtfulness are high ranking attributes of his personal qualities. We are proud of Mr. Burton, business manager of our college.

MR. BURTON

## MRS. KIRKLAND

## MRS. HELEN S. KIRKLAND

Webster's dictionary defines a registrar as one who registers; an official recorder or keeper of records. How modest and unassuming can a definition be? Such a one could not fully characterize Mrs. Helen S. Kirkland, registrar at Howard College. Neither would we need to search for qualifications to identify the charming person who accomplishes so much with apparently so little effort. Simply but sincerely, we say that she makes everyone from the timid freshman to the sophisticated senior feel that his problem is her very own. Her interest is genuine; her efforts are untiring; her charm cannot pass unnoticed. She is truly comparable to a princess waiting to serve you behind a door marked Registrar.

The Howard College Student Government is the basic unit of student self-government. The purpose of the Student Senate is to serve as a liason between the students and the faculty, and to promote a higher degree of school spirit at Howard.

As the highest student governing

body on the campus, it is directly responsible to the student body for conducting its affairs and managing its funds. This group is responsible for our annual, our school paper, our freshman handbook, our student elections and H-Day and Homecoming Day activities.

## The Student Gove

Students Senators and student officers are chosen during the student body elections each May. Senators are elected by popular vote from each class, while the officers of the Senate are elected by and from the entire student body.

The President of the student body presides over the Student Senate and the vice-president, secretary, treasurer, editor of the Bull Pup, all class presidents and the student school auditor attend meetings and vote as do the senators.

Truly, this is one organization in which there is all work and no play. Every member of this highest honored group on the campus deserves our praise for executing such responsibility so well.

# The 1950

BEVERLY KNIGHT, *Editor*

BETTY ADAMS, *Assistant Editor*

As Betty Adams, assistant editor of your yearbook so aptly stated, "The compilation of this, the 1950 ENTRE NOUS is due largely to unimaginative efforts — efforts of Noah Avail." Indeed we often speculated pessimistically as to whether the ENTRE NOUS would make its appearance in 1950. It did—finally.

Despite jokes about what a mammoth task the editor of the yearbook assumes, it was really an honor to have been entrusted with such responsibility. What was learned about people and the experience that was gained compensated in full for the work, worry, blues and temper seizures that occasionally were encountered.

Betty Adams was ever dependable as assistant editor, organization editor and general flunkie. Joe B. McKnight kept the ENTRE NOUS "in the black." This required expert-super-salesmanship and a good eye for business. Bill Daniels was the always successful student photographer. Dolly Williams with the help of Don Wyatt and Janet Kincaid handled the beauty parade excellently.

Words could not adequately express my appreciation to Mr. Bob Faerber of the Alabama Engraving Company for his ideas and suggestions. Credit for the plan of the beauty section goes to Jimmy Wilson; ideas for the theme of the book belonged to Mr. W. E. Baxter. Mr. Orville Lawson of the Birmingham Printing Company was always willing to help with good suggestions for the cover and color schemes. Mr. Joe Aloia, photographer, was always standing by to take pictures—even when the editor called at the last minute.

Much credit is due each of these people, but you—the faculty and students—really edited this book—thanks for your consistent cooperation.

The *Howard Crimson* is the weekly publication sponsored by the Student Government body to give the college a newspaper second to none in colleges of comparable size and equal to most of the papers in larger institutions.

The effect of the expanded Journalism department is evident in the *Crimson* of 1949-50. The fresh approach to makeup and composition is the result of courses planned and executed by Mr. William Baxter, head of the Journalism and Public Relations Department.

The material in the paper for the year was in the main gathered and edited by the members of that department. *The Crimson* is the student newspaper and there is no censorship of the material nor pressure exerted in any phase of the publication.

Editor-in-Chief Lance W. Anderson is to be congratulated for the quality of the *Crimson* this year. He is majoring in journalism and the issues of the past year show that he is well qualified for the field.

An eager group worked under the Editor to make the paper a good college newspaper. Credit is given Don Cheatham for his illuminating and discerning column, "Logical and Illogical" and to the reporters of the "Circuit Riders," Knox Johnston and Harry Oliver.

The editor of the *Crimson* in speaking of the year's work stated, "Credit for the improvements of the *Crimson* should be given to Mr. Baxter. He gave advice and time even when he was busy doing his own work."

The editor of the *Crimson* is elected each year in the student body elections and must be a journalism major. Direction of the publication has been placed with the journalism department.

The *Crimson* reports the campus scene.

The *Bull Pup* of Howard College is the official freshman handbook. The 1949-50 edition, published, by Joe McKnight, indeed gave freshmen an insight into the administration and customs of Howard. In truth, the '49 *Bull Pup* is a fine miniature of a good yearbook. Upperclassmen, as well as freshmen, found it an invaluable source of reference.

The staff's use of pictures and informal language took the book out of the technical category. Results were the creation of an interesting guide for the various phases of college life. Included in the publication were college calendars for four quarters, names of the administrative staff of Howard, names and locations of Howard's buildings, library rules, information and requirements of every campus organization and identification of student publications.

The major task of Alpha Phi Omega each year is the compilation of a list of every student at Howard, his home address, local address, telephone number, church preference and classification. Thus they edit and present to each student in a minimum of time, a STUDENT DIRECTORY.

Henry O. Bullard, editor; Richard C. Coggin and Franklin H. Holmes, business manager, with aid from all the members of Alpha Phi Omega, produced the 1948-49 edition while the Student Senate helped finance the publication.

The names and telephone numbers of dormitories, barracks and fraternity and sorority houses are found on the second page. An alphabetical list of all faculty members is included on pages three through five.

## Who's Who *among students*

This group is representative of the outstanding students in the universities and colleges throughout the country. These students present the best that colleges have to offer in the way of good material for the advancement of society.

Who's Who Among Students in American Universities and Colleges is an incentive for students to set their goals high and then strive to attain them.

Who's Who is chosen by the department heads after the Dean of the College submits a list of candidates having completed their junior year.

These are the students that were selected for this coveted position.

The Shining Hour required five character delineation of the cast of six. Bert Snellings' interesting, realistic scene design gave this production real distinction.

Oscar Wilde's high comedy received a highly stylized production. The actors used elaborate gestures to fill up the ornate scenery. It had a full week's run, all proceeds being donated to the American Cancer Society.

CLAYTON CORNISH

## Clayton Cornish

As athletic director for Howard, Coach Clayton Cornish has devoted himself to the development of a well-balanced physical education program for the college. This development may be seen not only in the growth of varsity sports for men but also in intramural activities for men and women.

Coach Cornish is well qualified to direct and develop such a program. He lettered in four major sports at Louisiana Normal College, his alma mater. He received his masters degree in 1911 and has now almost completed requirements for the doctor's degree. He has coached in high schools and various colleges including L. S. U. He came to Howard in 1918 to head the physical education department.

In addition to his duties as head of the department, Coach Cornish serves as coach of the college's track and tennis teams.

## Coach Gartman

Coach Earl Gartman is one of those people who came to Howard as a student, liked the college, and returned to join the staff after graduation.

The coach received his bachelors degree from Howard and a masters from Peabody College. While a student, he played on the varsity football eleven and on the Bulldog cage team.

As mentor of the Bulldog gridmen this year, Coach Gartman took a group of men, many of whom had no experience in playing college ball, and worked them into a smooth working team. Evidence of the coach's success in this work is the record of the team. The Bulldogs defeated every non-subsidized team they met.

Auxford Watkins, Coach Cornish and Ralph Sibley

## Auxford Watkins

As end coach for the Bulldogs, Auxford Watkins proved very valuable to Coach Earl Gartman in developing some outstanding wingmen. "Cooter," who is majoring in physical education, played for the Bulldogs before the war. Then, as now, he worked hard to win for the Bulldogs and the college.

## Ralph Sibley

Ralph Sibley helped out in whipping the Bulldogs into top playing condition and keeping them that way. He handled the centers, tackles and guards in the Howard line for Coach Gartman. Ralph is also a former Bulldog star gridman who did just as good work this season with Howard's linesmen.

CHARLES RUSH

JESSE MEEKS

As co-captain of the Bulldogs, Charlie, whose position was at guard, teamed with Jesse Meeks to guide the team through the schedule. He did a good job of it and also a bangup performance in every game. He is a senior this year.

Some of the local sports writers tagged Jesse with the nickname, "Ole Reliable." He lived up to the name during the season and was the team's leading ground gainer. The co-captain of the Bulldogs was selected as an all-Dixie Conference back at the close of the season.

## Howard 13 Wofford 27

In their first game of the season, the Bulldogs took a 7-0 lead in the opening minutes when Wade Wallace sprinted 53 yards for a touchdown. Jesse Meeks converted.

The Terriers tied the score on a pass play and then went ahead in the second quarter, 14-7. They racked up another tally in the third period to lead 27-6.

Howard's Bulldogs raised their total 6 points in the last seconds of the game on a pass play from Quarterback Carl Miller to Jesse Meeks in the end zone. Jesse missed the extra point, making the final score Howard 13, Wofford 27. Right Half Wade Wallace received a injury in the early minutes of the game. The injury kept him out of active play until the season was drawing to a close.

**JULIUS POPWELL**

A steady performer at right end. "Pop" played well and long for the Bulldogs. This was his senior year, so he will be missed in a number of ways next season.

**CARL ROBERTS**

A tough defensive man, Carl made things hard for the opposition's ends and backfield men. As a result, he was voted an all-Dixie Conference end at the close of the season. He'll return to help Coach Gartman next season.

**JERRY SULLIVAN**

Jerry held down the offensive left end spot for the Bulldogs and did a good job of it with his steady play and fine competitive spirit. He was a standout in the game with Florence.

**THE WOFFORD GAME**

PAUL FOOTE

Foote was a late comer among the bulldogs. As a 200 pound tackle, he had a very successful season. He graduated from Tarrant High.

HOWARD WELDON

Howard made good use of his 240 pounds by making the going rough for the player across no-man's land from his tackle position. He was tops in the Athens game.

JOHN WADE

A 200-pound tackle who played with the Sportsmen in 1948, Wade gave the Bulldogs added strength in the line. The former Tarrant player will return next year.

### T. P. I. 33 - - Howard 13

The Bulldogs made their 1949 home debut at Woodlawn High School Stadium Oct. 1, but as Ronald Weathers put it in the News, "Tennessee Tech's Eagles put on the show." The Eagles ran up a 21-0 halftime score. In the second half, Right End Carl Roberts scored twice for the Bulldogs by covering free balls in the T. P. I. end zone. Howard's last touchdown came when Fullback Gerry Holmes took a pitchout from Quarterback Rod Murphy and circled right end from 13 yards out. The play culminated a 50-yard drive. Standouts for Howard were Carl Roberts, Guard Charles Rush, Center Dan Merck and Halfback Jesse Meeks.

### THE TPI GAME

### HOMER SMILES

Homer, former captain of the Sewanee eleven, played a rugged game of ball at tackle and was good at making his weight—all 200 pounds—felt in the line play.

**JIMMY ATTAWAY**

After prepping at Woodlawn, Jimmy came to Howard to play guard for the Sportsmen. This year he turned in the same good performances at the position for the Bulldogs.

**THE MARION GAME**

## **Howard 7 - - Florence 18**

Howard journeyed to Florence to tangle with the Lions from the state teachers college. The Lions scored first on a pass play. Carl Roberts blocked the attempt for the extra point.

Bouncing back by pounding 76 yards in 11 ground carries, Howard went ahead shortly before the end of the first quarter. Jesse Meeks, G. B. Holmes and Honey Cutcliffe sparked the march. After the first touchdown, the Bulldogs developed a bad case of fumbleitis. Before the end of the game the Lions scored twice more. Fumbles halted several scoring attempts on the part of the Bulldogs.

Standouts for Howard were Ivan Leonard, Jerry Sullivan, Warren Aderholt, and Dan Merck.

### **WARREN ADERHOLT**

The grin always carried around by Aderholt might cause you to think he's easy going on the gridiron. Not so, say some of the men opposite his position in the Howard line. The Florence game was one of his best.

### **CHARLIE MAZE**

Charlie moved up from the independent Sportsmen team to a spot at guard for the Bulldogs. Besides being a good football player, Charlie takes an interest in student government and in piano playing.

### **IVAN LEONARD**

A mainstay of the Howard line, Ivan Leonard played a good game at guard every time he took to the field. Ivan was particularly outstanding in the games with Florence, Marion, and Athens College.

HOME COMING AT HOWARD

### Howard 24 - - Marion 13

Howard broke into the win column like lightening. Fullback G. B. Holmes took Marion's kickoff on his 10 yard-line and handed the ball off to Jesse Meeks on the 25. "Ole Reliable" scampered down the left sideline for a touchdown without being touched. He failed to kick the extra point.

The Bulldogs scored three more touchdowns before the Cadets could get into the game. The Cadets scored twice in Howard's favor. Offensive stars for Howard were Meeks, Bobby Bowden, George Pappas, and G. B. Holmes. Defensive stars were Howard Foote, Jim Burns and Russell Banks.

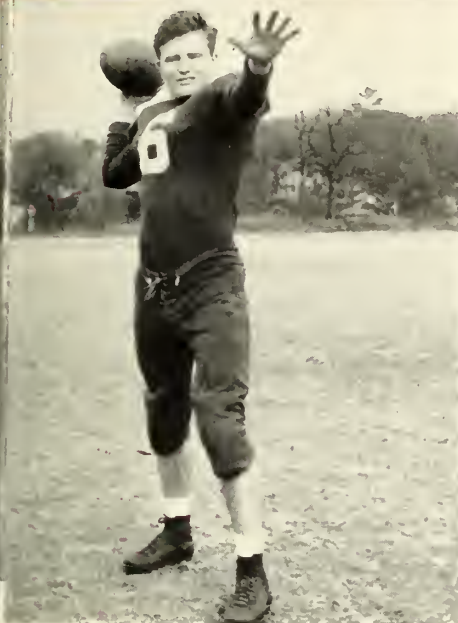

#### BILL PRENTICE

The team's other center, Bill is also a senior who will be missed next year. He played the game hard and with the spirit to win. He was outstanding in Howard's victory over Athens.

#### DAN MERCK

Dan always played his best at center on the offense and as a linebacker on defense. He was outstanding in the T. P. L. Florence, and Marion games. A senior, Dan will be missed at center next season by Coach Gartman and the team.

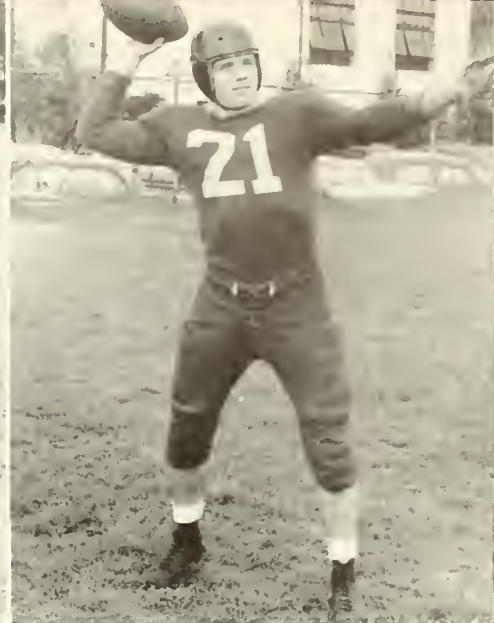

ROD MURPHY

Rod's quarterbacking for the Bulldogs showed him to be a smooth and clever field general with the ability to call the plays correctly. His passing ability also proved to be valuable on a number of occasions during the season.

CARL MILLER

In Carl Miller, Coach Gartman had a quarterback who combined good play calling with an ability to pass and hit his receivers under pressure. This was Carl's senior year.

WADE WALLACE

Wade started out for a fine season but was injured in the first game of the season against Wofford. The injury kept him out of full-time service until the latter part of the season. He was a standout in the Athens game.

## Howard 0 - - Western Kentucky State 20

Fresh from their victory over the Marion Cadets, the Bulldogs traveled up to the Bluegrass region to battle with the Hilltoppers from Western Kentucky State College. Although they fought hard, the Bulldogs found themselves outclassed. The Hilltoppers ran their scoring up to 20 points while the Bulldogs failed to hit pay dirt.

Again, Jesse Meeks played a good game. Also outstanding for the Bulldogs was George Pappas with his hard driving runs.

The Hilltoppers worked to stop Howard's passing attack but Rod Murphy and Carl Miller hit their receivers for long gains.

### HONEY CUTCLIFFE

Honey, another of the many players from Woodlawn High School, earned a place in the backfield early in the season. He was a steady performer throughout the season and was particularly outstanding against Marion.

### GEORGE PAPPAS

A former Woodlawn player, George was another steady ground gainer for the Bulldogs. He was one of the backfield stars in the Marion game which was played at the Tarrant High School.

GEORGE SIMS

Big but fast on his feet, George's ability to drive his way down field paid off for the Bulldogs and another score a number of times. He is a freshman this season, so he will be back for a good season next year in the Howard backfield.

JOHN STEWART

Although he joined the Bulldogs a little late, John was quick to earn himself a spot in the backfield. His ball carrying abilities helped the team considerably.

WILSON BOWMAN

Before receiving a head injury in a practice session, Wilson made a name for himself as an aggressive, hard-working wing man. He'll be ready to go again next season.

## Howard 19 - - Mississippi College 14

After spotting the Mississippi College Choctaws two touchdowns, the Bulldogs came from behind in the second and third quarters to win 19-14. G. B. Holmes and Rod Murphy scored the first two touchdowns on running plays. The final touchdown came in the third quarter on five ground plays and a pass. A penalty against the Choctaws put the ball just one yard from pay dirt. Jesse Meeks bored the center of the line for the final tally. He then passed to End Jerry Sullivan for the extra point to make the score 19-14 in favor of Howard.

Back in Birmingham Howard rooters who were listening to the game over the radio heard the announcer describing the rest of the action as a deadlocked affair until the gun sounded ending the game.

### HERBIE HANES

Herbie, who played in the Sportsmen backfield, was shifted to tackle early in the season. He made the change easily and turned in some good performances at the position.

### JOHN DeCARLO

DeCarlo, a sophomore who prepped at Phillips High School, is another tackle that Coach Gantman called upon for dependable work during the season. He'll be around next year.

### ROBERT JOHNSON

Bob, a freshman quarterback who used his kicking, running and passing talents for the Bulldogs, gained some seasoning and experience which should make him a valuable asset next year.

### GENE McQUEEN

Gene proved himself a shifty and evasive runner in the Howard backfield. He made numerous long running gains, and you'll be seeing more of them next season.

## Howard 0 - - Troy 27

This game was strictly a battle as the Bulldogs found their running game bottled up by a hard charging Red Wave line from Troy State Teachers. Howard's line was to light to control the battle. The Red Wave line, on the other hand, slashed at Howard on the offensive and penetrated. As a result the Troy men had their running game clicking well enough to score four times. The final score read 27 and a victory for Troy and plenty of bruises for the Bulldogs.

### JOHN WILSON

John joined the Bulldogs a little late but Coach Gartman found a place for his talents at left half. He turned in some good performances at the position.

### BOBBY BOWDEN

Another of Coach Gartman's speedy, hard-running backfield men, Bobby played a good brand of ball in this his freshman year. His best performance of the year was against Marion.

### BILLY BANCROFT

Although a lightweight, Billy made up for his size with his speed, deceptiveness and competitive spirit in the Bulldog backfield. He'll be around next year and should have a good season.

### JIM BURNS

"Outstanding in the line play was Jim Burns at tackle." That's the way local sports writers described Jim's work in a number of Bulldog games.

### GERRY CARROLL

Carroll, as a 150 pound guard for the Bulldogs, gained experience to insure him of an even more promising year next football season. He prepped at Ensey.

### JACK GRIZZARD

A 180-pound freshman, Jack came to Howard from Calhoun. He plays guard and will return to boost the team's chances of a successful 1950 season.

### RUSSELL BANKS

A freshman who prepped at Phillips, Russell came to Howard and into the Bulldog backfield. He gained much experience which should prove beneficial next season.

## Howard 18 - - Millsaps 0

Playing before a homecoming day crowd, the Bulldogs turned on the steam to defeat the Millsaps Majors 18 to 0. Held at bay during the first period, the Bulldogs rolled 54, 72, and 65 yards to score once in the second, third and fourth quarters. The Majors were completely bottled up and failed to make a scoring threat until late in the game when they recovered a Howard fumble near the bulldog goal line. The threat fizzled. Gerry Holmes and Jesse Meeks hit pay dirt behind the goal line for the Bulldogs. The win was Howard's second in as many Dixie Conference starts and solidified the team's second place in the league.

### HOWARD BATTLES MISSISSIPPI COLLEGE

FOOTE, SMILES, RUSH, PRENTISS, MAZE, BURNS, SULLIVAN, CUTCLIFFE, HOLMES, MURPHY, MECKS

### Howard 19 - - Athens 0

The season was closed out by the Bulldogs with a 19-0 win over the Athens College Eagles. With this victory, the Bulldogs copped four of the last six engagements of the season. Wade Wallace, who filled in for injured Jesse Meeks, played his best game of the season. Injured and out of fulltime play since the first game of the season, Wade was the star of the game. Other standouts were Sims and Pappas in the backfield. The hard charging line was led by Tackle Howard Weldon, Guards Charlie Rush and Ivan Leonard, Center Bill Prentice and End Howard Foote.

The victory gave Howard a record of four wins and five defeats for the season.

### FIRST DAY PRACTICE

COACH ROBERSON

## The Season

The prospects for Coach Herman Roberson's Bulldogs in the beginning of the season were bright. Up from last year's squad were the "battling sophomores" who had carried the Bulldogs into the Finals at the Dixie Conference tournament. The five starters, now juniors, were Center, Beaumont Sparks, Forwards, Roy Anderson and Marvin Gann, and Guards, James Guyton and Harold Parks.

# Basket

## HERMAN W. ROBERSON

Coach Herman Roberson started out in the basketball world by starring three years at Fayetteville High School. After high school he entered the University of Alabama and became a member of the Crimson Tide that won first place during season play in the Southeastern Conference in 1939 and 1940. After four years of high school coaching, Roberson came to Howard to coach the Bulldogs.

A man of a few words, the coach devotes all his energies to the development of a winning team for the Howard. He works his players hard, but he's the type of fellow that men will gladly work for and put out their best efforts. He's strictly business on the basketball court or on the baseball field, but off of it you'll find he's full of dry humor.

To add depth to all positions were Bill Peebles, center; Tommy Tucker, forward; Tom McClendon, guard; and Ted Noles, forward.

The Bulldogs opened the season at Causey Gym and defeated Jacksonville State, 50-40. Roy Anderson led Howard's scoring with 13 points. It was a good start for the season.

Auburn's Tigers put the bite on the Bulldogs the following night, however, and defeated them 59-36. Anderson was again the leading scorer.

All was well the next game: Howard 51, Birmingham-Southern 49. Big Red Sparks scored 20 points, and the Howard fans were happy.

Howard then edged out Jacksonville State 59-55 in a return engagement but didn't fare so well against Auburn, who defeated the Bulldogs 73-49. Sparks was tops with eleven points.

This ended the play for the Fall Quarter. Christmas holidays began.

## WAYMON SHERRER

Often a thankless job that never gets its performer any space in the newspaper, the job of manager of the basketball team this year was ably filled by Waymon Sherrer. It was his task to see that all the little needs of each individual player were met so that each could give his best performance. This, then, is recognition for an excellent job done by Waymon.

WAYMON SHERRER

THE TEAM: SHERRER, McCLENDON, GUYTON, PARKS, JACOBS, SPARKS, ANDERSON, PEEPLES, DAVIS, COACH ROBERSON.

#### ROY ANDERSON

Andy, a deadly left-handed artist from Scottsboro, lived up to the reputation he established for himself last year—a good rebound man, scrappy, elusive and always in there after the ball. A junior, he'll be around next year at his old position at forward.

#### HAROLD PARKS

The peppercot of the team, Little Red continually amazed spectators—and very often the opponents—with his excellent dribbling and ball handling. Although he played guard, he was one of the team's leading scorers with his accurate long shots and the fast ones coming in under the basket.

## The Season

Marvin Gann, a star forward, dropped out of school during this period. His scoring talent was going to be missed. However, Morris Jacobs entered school for the winter quarter and stepped into Gann's shoes very well. Don Davis also joined the Bulldogs at this point.

The Bulldogs started out the new year by defeating Oglethorpe 68 to 38, with Anderson dropping in 20 points. Next day, however, they lost to Mercer by a 52 to 17 count. Andy was again the leading scorer for Howard.

Back home, the Bulldogs romped over Troy 73-17 before going to Clinton to defeat the Mississippi College Choctaws, 66 to 56. Little Red Parks scored 25 points. On the same trip they defeated Millsaps by a 39 to 36 count.

#### HOWARD SOUTHERN FIGHT

**BEAMON SPARKS**

Better known as "Big Red," Beamon was the team's high scorer. Also, his ability to tip in a couple of points with ease and his all around play earned him a spot on the all-Dixie Conference team at the close of the season.

**JAMES GUYTON**

Guyton showed himself to be excellent defensive man and a good ball handler at guard. He seldom shot for the basket, but when he did set for that long shot way out there you could start adding a couple of points to Howard's score.

**MORRIS JACOBS**

Although Jake joined the Bulldogs about the middle of the season, he was quick to earn a starting forward position on the team. A steady player, Jake could be depended upon to drop in the majority of his shots from out in front of the circle.

#### PARKS SINKS TWO

The Bulldogs came home then for a five game home stand. In the first game they defeated Birmingham-Southern 40 to 28 but then dropped one to Florida State 59 to 58. It was a hard game to lose. Parks scored 21 points.

Bouncing back, Howard's cagers blasted Mississippi College 77 to 61. Big Red looped in 25 points. In the next game Florence took the wind out of Howard's sails by dropping the Bulldogs 49 to 52. However, they roared back the next night to defeat Millsaps 61 to 28. Parks was out with an injured knee.

Birmingham-Southern dropped the Bulldogs in the next game to give the Panthers one win out of three. The score was close, 42 to 42.

In a high scoring contest, Howard defeated Troy 88 to 83, and they lost the next to Florida State 39 to 50.

#### BILL PEEPLES

Although Peep was not one of the starting five, he came in for considerable service at center and at other positions. He was good on defense and a fair shot from the floor.

#### TOMMY LUCKER

Although he was an aggressive player and a constant ball hawk, Tommy also liked to shoot from his position at forward. He went into many of the games and dropped in points to add to the Bulldogs' total score.

In the last five games of the regular season, the Bulldogs didn't fare so well. They dropped one to Mercer, Birmingham-Southern, and Florence while defeating Oglethorpe and Athens College.

In the Dixie Conference tournament, the

Bulldogs drew Florida Southern. They battled hard but dropped the contest by one point, 53 to 54. In the consolation game Howard defeated Millsaps 53 to 36 to close out the season. By all counts it was a successful one.

## TOM McLENDON

Another product of Scottsboro, Tom came to Howard this year as a freshman. He played as a reserve guard and showed promise of developing into a good player for the Bulldogs.

## TED NOLES

A reserve forward, Ted added strength and depth to the Bulldogs. He proved himself to be a good dribbler and ballhawk. A junior this year, Ted will be around next year and should develop into a steady performer for the team.

## DONALD DAVIS

This is also Don's first year with the Bulldogs. You could always count on him being in there fighting for the ball. He played guard.

## Baseball

These names comprise the first Howard baseball team in recent years and viewed in the face of early season adversities, its record of seven wins, four losses and one tie is not an unenviable one.

In addition to the usual training routine a diamond had to be made ready. Injuries and cold weather hampered practice. The short season necessitated a short training period. In spite of this, the team went on to defeat Marion, Florence, Athens, Jacksonville and St. Bernard. Losses were suffered at the hands of Marion, Jacksonville and Troy. The tie was a ten inning affair with Florence.

EDDIE KITTRILL, *Pitcher*, AND  
JOE PARKER, *Catcher*

Howard's offense was led by the combined efforts of outfielders Howard Foote and infielder Rod Murphy. Foote hit an amazing .412, while Murphy was consistently dangerous, ending the season at .337. Eddie Kittrell, while at times wild, had what it takes to win when the chips are down. It is extremely doubtful that the season would have been successful without him on the mound. His record of five wins and two defeats is a credit to his ability. Other victories were garnered by pitchers Roy Anderson and Benny James. Other offensive stars were Winston Chapman and John Key who hit .310 and .321 respectively.

RICHARDSON, MURRERY, HANLIN, PEEPLES COLLIGAN ALLEN

## The Season

The Howard tennis team was composed of Bill Peeples, Ben C. Allen, Lewis Murray, Jay Buffington, Bill Colligan, and Marion Richardson during the 1949 spring season.

Evidently they made up an excellent group of netmen. They took five matches out of seven starts, bowing only to the hilltop rivals, Birmingham-Southern, on two occasions.

Incomplete results show that the ten-nisters won over Florence State Teachers college 6 to 1. The team captured every game during the day except one doubles set.

On April 18, Howard's tennis men again defeated Florence. This time by a score of 9 to 0. Florence failed to capture a single game during the event.

At a later date the local net men dropped a set to Birmingham-Southern. The Panther lads copped this one by an 8 to 1 victory.

Mercer University lads bowed to Howard on April 30. This was a day of general field activities during which Howard met Mercer in three events; track, tennis and golf. The tennis scoreboard showed that Mercer earned 6 tallies while Howard rated 3.

On May 9, the Howard netters dropped another match to Birmingham-Southern. The score was 7 to 1.

The next two matches were with Marion Military Institute and the local lads took both. The score on May 11 was: Howard 7; Marion 2. The May 16 score was 5 to 4 in our favor.

COACH CORNISH, TUCKER, GRAHAM, BEANE, SHERRER, ALLEN, OLIVER, LEONARD, BOWMAN, HAI-BROOKS, FLURRY, YOUNGBLOOD, PRENTISS, BEAIRD, KREMER.

## T r a c k

Coach Clayton Cornish may well be proud of his first track team at Howard. Though hampered inestimably by lack of sufficient space for practice and training, the team accomplished more than a mere showing.

Four dual meets were held in which Howard won two and lost two. Alabama and Emory Universities were our conquerors; Mercer and Miss-

## a t H o w a r d

issippi College our victims. While maybe not too impressive on the surface, the record was compiled against extremely tough competition. At any rate it sounded a keynote of things to come, for it was at the Dixie Conference Meet in Macon Georgia, that the squal made its presence known.

It was unfortunate that the squad lacked sufficient depth to gain much needed second and third places. Failure to place in these positions lost a fine squad the team championship. Though Howard gained six first places, more than any team in the meet, it had to be content with only third place in team points.

Firsts were won by Bill Kremer, Jesse Meeks and James Guyton. Each man established a conference record. Kremer

won the broad jump, the 100 yard and 220 dashes. Meeks won the high and low hurdle and Guyton won the one-half mile run.

Kremer crowned himself with glory by being the high point man for the meet. Certainly he deserves every acclaim.

Meeks closed out his track career at Howard in the oft used blaze of glory. His abilities in this field together with his subsequent accomplishments in football and his general all around gymnastic ability made him the recipient of the H-Club award as the outstanding athlete in the college for 1949-1950. This award is made more noteworthy by the fact that it came from the players themselves. Howard will not soon forget "Hoot."

# G o l f . . .

Howard men who are classified as lovers of sand traps and other golf hazards played a gallant round of matches against powerful opponents during the spring quarter of 1949.

The golf team was composed of William Prentice, Fred Dawson, Jessie G. Sides, Ivan Leonard, Jack Bibble, and Lance Anderson.

Incomplete results of the matches chalk up only one victory against two losses in the three times the Howard lads took to the field. On April 7, 1949 the local quintet competed against the cross-town rivals, Birmingham-Southern College. Ivan Leonard was the only local man to come through the eighteenth hole victorious. He defeated Calvin Pinkard and scored three points for the Howard team. Southern lads racked up 10½ points in the match.

THE PIKES TOOK FIRST

## Intramural Football

The Pikes again! Their record of six wins, no losses and one tie gained for them the championship in touch football. A strong and well-trained Lambda Chi team was impressive in gaining second place. John Moore and Benny Peacock were stalwarts on the undefeated Pike team. Tommy Jones was in a class by himself for the Lambda Chis.

Other strong entries were Pharmacy, Sigma Nu, Vets, Preachers, Pi Kappa Phi, and Delta Sigma Phi.

The games were all interesting and well played as attested by the large student attendance.

### VOLLEY BALL

The girls intramural basketball program got off to a good start this year with a strong Phi Mu team winning the first game and continuing to lead the league all season. Teams participating in volleyball and the number of games won by each team were: Phi Mu, 5; Independents, 3; Renfro, 3; Beta Sigma Omicron, 2; Delta Zeta, 1, and Alpha Delta Pi, 0. The all stars chosen by the W.A.A. brought Phi Mu its first defeat with a score of 45-14. All stars were Louise Hall, Bobbie Douglass, Xanthi Hahamis, Sue Jones, Violet Fuson, Betty Lawler, Martha Harrison, Betty Trawick and Janie Richie.

### BASKETBALL

The Phi Mus were again victorious in the basketball tournament. The

## Athletic Directors

Miss Doris Warnock, head of the Physical Education Department for Women has completed her first year at Howard. Having graduated from Georgia State College for Women and obtained her master's degree at Peabody, she taught at Georgia State College for Women before coming to Howard.

Mrs. Lillian Cochran, who works with Miss Warnock and headed the department last year, is a graduate of Birmingham Southern College. In 1917-18 she served as women's athletic director at Livingston State Teachers College.

The two instructors, advising the Women's Athletic Association, have built a wide and comprehensive intramural sports program for women, maintaining keen competition in both team and individual sports. Special programs such as those presented on stunt night, May Day, and at the Freshman and BSU parties come under their jurisdiction.

Class activities under their supervision include volleyball, tumbling, basketball, softball, tennis, swimming, archery, rhythms, recreation and other required physical education courses.

This is the first year that Howard has offered a physical education major for women. Twelve girls took advantage of the opportunity in 1949-50 while two girls registered as physical education minors. Miss Warnock and Mrs. Cochran are considering the possibilities of sponsoring, through the W.A.A., clubs for the various activities offered in Physical Education for men and women. Any student will be given a chance to participate in the particular sports prior to tryouts for club membership.

New sports to be offered by the department for women in the fall of 1950 are hockey and modern rhythms.

Bobbie Douglass, Violet Fuson, Betty Adams, Jo Baltzer, Carolyn King, Louise Hall and Jane Bratten.

#### BADMINTON AND TENNIS

Tournaments in badminton and tennis singles were completed in the spring quarter. A faculty-student tennis tournament was also played in the spring.

Eleanor Steele playing for Phi Mu won the table tennis tournament with Ruth Bloom for Alpha Delta Pi coming out second. In the quarter finals Eleanor Steele defeated Aileen Still and Ruth Bloom defeated Annie Belle Counts.

Organizations and individuals having compiled the most team points awarded cups and medals on H-Day.

## Tumbling

Members in the tumbling classes were Pat Pittman, Nanthi Hahamis, Ann Bowden, Jo Sawyers, Jean Dunlap, Betsy Barber, Eleanor Steele and Carolyn King.

Besides class activities the group gave tumbling demonstrations at the Huffman Elementary School, at the Circus Party and at a meeting of the faculty wives. On the May Day program the theme of the demonstration was a Doll Shop. The girls impersonated Raggedy Anns while seven boys from Coach Cornish's class were Raggedy Andys.

## The Cheerleaders

Sue Jones was head cheerleader for Howard this year. Assistants were James Marbut, Bill Buchanan, Pat Pittman, Barbara Gourley, Mary Frances Bolding, Anne Bowden and Charlotte Cornish.

The cheerleaders were selected by Mrs. Pugh, Coach Cornish and Miss Warnock after tryouts in Main auditorium.

Mrs. Lillian Cochran was advisor to the cheerleaders. Under her direction, they gave pep rallies and furnished mimeographed copies of yells at the pep meetings and games.

The cheerleader outfits for the year were red sweaters, blue skirts and white trousers. Letters were awarded by the Student Senate.

# Interfraternity Council

The Howard College Inter-Fraternity Council is composed of two representatives from five chapters of national fraternities. The purpose of the IFC is to correlate activities of the individual chapters and to obtain solutions to common problems through joint action for advancement of the chapters. The worries of composing harmonious rush rules fall under the jurisdiction of this body. The council, this year, successfully sponsored a number of events for fraternity and campus participation.

In stilted terms, the purpose of the Pan-Hellenic Council is, "to promote good feeling and cooperation among Howard's Greek girls. The four sororities on Howard's campus, led by Anita Mobley have passed new rules concerning rushing. They published a handbook and gave teas to aid the enforcement of these rules. In order to furnish incentive to achieve higher scholastic standards, this group presents a "scholarship cup" at the end of each quarter to the sorority having the highest average. Each sorority has two representatives on the council.

Kappa Delta Pi, an honor society in education, was founded at the University of Illinois in 1911. Zeta Theta Chapter was installed at Howard College in 1947. The purpose of the society is to encourage high professional, personal and intellectual standards and to reward achievement in education. Members are chosen for scholarship, personality and educational ideals. Zeta Theta Chapter cooperates with the national office in promoting undergraduate research and the William Chandler Bagley teacher exchange, which enables teachers to become educated through travel. Members are interested in all projects of the Education Department, particularly the reading laboratory. Many alumni participate in the programs and socials since Kappa Delta Pi is especially valuable to teachers in service.

The H-Club is composed of all male athletes on the campus who earn a letter in a major sport and merit the approval of the general body. With the beginning of organized sports at Howard, the H-Club had its first meeting and the charter members formed the core of what is now looked forward to by all letter winners.

The purpose of the club is to promote a close bond of fellowship among lettermen. It encourages good sportsmanship on the part of the athletes and gives direction to their social activities and collegiate programs. At the present, the members are men who have lettered in basketball, baseball, track, tennis and golf. The membership is expected to rise to its pre-war standing now that football has returned to Howard. Every year the club selects the outstanding intramural athletes. For membership this year, Ed Coberly and Ralph Harris were selected. Jack Green was also selected as an honorary member, and was made the chaplain of the organization.

The Women's Athletic Association has a two-fold purpose: to promote better sportsmanship and to encourage participation in intramural sports among women on Howard's campus. Each year this organization has as its main project the sponsoring of three major sports, basketball, volleyball and softball; and three minor sports, tennis, ping pong and badminton.

The W.A.A. is composed of two representatives from each organization participating in women's sports. Mrs. Lillian Cochran served as faculty advisor.

The Physical Education Majors Club was organized during the spring quarter of 1949 with a membership of approximately twenty-five. The aim of the club is to awaken in students a wide and intelligent interest and understanding of the professions of health, physical education and recreation; to provide opportunity for students to discuss problems of special significance to them, and to promote a knowledge of and experience in the Alabama Association for Health, Physical Education and Recreation.

The organization sent a delegate to the Southern Convention of Health, Physical Education and Recreation in Asheville, North Carolina last year. Funds are now being raised to send a representative to the convention in Dallas, Texas this year.

## Kappa Psi

Kappa Psi Pharmaceutical Fraternity was founded at the Medical College of Virginia in 1879. Today it is the largest organization of its kind and the only pharmaceutical fraternity recognized by the National Professional Inter-Fraternity Council. Gamma Zeta Chapter was chartered at Howard in 1925, under the leadership of the late Dr. A. Richard Bliss. Kappa Psi has as its purpose: the conduction of a fraternal organization for the mutual benefit of its members; the inoculation of students with industry, sobriety, nobility, courage of heart and mind, and the fostering of pharmaceutical research and high scholarship.

Alpha Epsilon Delta is a national honorary fraternity for pre-medical students. The object of the fraternity is to encourage excellence in pre-medical scholarship, to stimulate an appreciation of the importance of premedical education in the study of medicine and to bridge the gap between pre-medical and medical students. Pre-medical, pre-dental and medical technology students who achieve scholastic recognition are honored with membership in Alpha Epsilon Delta.

The Alabama Beta Chapter, the second of the fraternity to be organized, was established at Howard in 1927.

The purpose of the student affiliate chapter of the American Chemical Society is to provide for the professional training of future chemists while their technical training is still in progress. Affiliation provides contacts with other members and facilitates diffusion of knowledge. The main objectives of the Society are the advancement of chemistry, both as a science and as a profession, and to serve as a social organization for chemistry students.

The publications of the Society are the most important in the world of chemistry.

The student branch of the American Pharmaceutical Association was organized on Howard's Campus in May, 1917. Any student who professes an interest in pharmacy and has completed at least one quarter's work in that department is eligible for membership. Meetings are held monthly and the programs consist of guest speakers and movies which deal with problems of retail pharmacy. Parties are given under the sponsorship of this organization to better acquaint the members. It is the goal of this group to have every pharmacy major a member of the student branch of the American Pharmaceutical Association.

The main organization of the American Pharmaceutical Association has endeavored to reach and uphold high standards of professional practice. Each student member receives monthly a magazine which is published to keep the pharmacist informed on the latest developments in the profession.

# Pharmaceutical Association

Student branches of this oldest pharmaceutical association in America are located in various schools of pharmacy throughout the country. Howard's membership now exceeds one hundred and sixty students.

Each member receives the services of the national association which are designed to build a better profession for the future pharmacist.

Alpha Phi Omega is a national service fraternity whose services are extended to the student body, to youth and the community, to members of the fraternity and to the nation as participating citizens. Its purpose is to organize college men under the Scout Oath and Law, to develop friendship and to encourage service to humanity.

The indispensable student directory is published by this organization. Alpha Phi Omega also was responsible for the decoration of the fir tree on Howard's campus at Christmas this year.

# Annual Football Banquet

The annual football banquet was held in February this year at the college cafeteria. "Hank" Crisp was the main speaker of the evening. Present also were Kenneth Morgan, Woodlawn; Ed Eubank, Ramsey; Jimmy Tarrant, Phillips; Dr. R. Curtis Green, President of the Howard Alumni Association, Dean Burns, Major Davis and W. S. Baxter.

Jesse Meeks received the award for the most outstanding athlete at Howard for the year and each player who lettered received a sweater.

# All-Campus Party

The theme of the all-campus party for 1950 was a circus. The party, consisting of skits presented by various organizations and stunts given by the gym classes, was planned by Mrs. Lillian Cochran's recreation class. Awards for the best coed's skit and the best men's skit went to Alpha Delta Pi Sorority and Lambda Chi Alpha Fraternity.

# March of Dimes

Alpha Phi Omega sponsored the Ugly Man Contest for the March of Dimes in which Herbert Hanes, representing Pi Kappa Alpha Fraternity, won first place. In an effort to further boost contributions to this worthy cause, a basketball game was played by the all-star girls' team and the faculty men. The final score was 20-18 in favor of the girls.

# Greek Activities

March found weary frat and sorority presidents handing their gavels to new officers. New leaders are James Crowder, Delta Sig; Wayman Sherrer, Sigma Nu; Charles Maze, Pi Kappa Alpha; Jean Gentry, Beta Sig; Jo Luther, Alpha Delta Pi; Art Jordan, Lambda Chi; Betty Lawler, Delta Zeta; Helen Bradford, Phi Mu.

The Interfraternity-Pan-Hellenic Dance was also an event of March at the Pickwick Club.
